# **Supplier and exporter** **Fruits and vegetables**

Hello

We are Siraf Marine Services.LLC, with the rich history of collaboration with our long lasting clients/partners around the world. One of our most important activities is fruit and vegetable exports. Siraf .Co is supplier, exporter and wholesaler of Iranian fresh fruits and vegetables such as red onion, apple, pomegranate, kiwi fruit, grapes, cherry, apricot, strawberry, melon, lettuce iceberg, tomato, potato, cucumber, lettuce, cabbage red, Broccoli and bell pepper. Iran is a country with 4 seasons, so it makes it very variable in terms of production of fruits and vegetables and also other agricultural products.

Our company " Siraf Marine " is here to deliver it's best services for supplying and exporting Iranian fresh fruits and vegetables to all importers from all over the world. Siraf Co. has supplied different buyers in over 20 countries and we are happy to be at your service this time.
